Planning Matrix for Internationalizing the Teacher Education Curriculum (ITEC) Project

M. A. Jensen and J. F. Morse, SUNY Geneseo (2013)

Goal 1: Establish a contact with a colleague in another country in order to coordinate plans for project implementation.
Goal 2: Meet with Milne Technology Staff to determine best communication tools and learn more about them for my project.
Goal 3: Share or make brief presentation of project: School of Education faculty

Name	Description of Activity or Focal Course	Internationalizing TEC: Learning Goal(s), Nature of Interaction, and Nature of Reflection	Possible or Actual Contact(s)/ Partner(s)	Possible Communication Tool(s)	Scheduling and Interaction Notes	Challenges	Possible Ways to Assess Learning
